

STANDARDS OF CONDUCT

I understand that my preparation for Christian work requires my personal commitment and separation from sin. I further realize that as a DLU student, I represent the Lord Jesus Christ as well as the school. As a member of the DLU family, I pledge myself therefore without reservation to these lifestyle commitments:

1. To recognize the authority of the administration and faculty of Dominion Leadership University over all procedures, policies and guidelines in the governing of the University.
2. To be honest in all relationships, responsibilities and tasks.
3. To demonstrate integrity and good stewardship in all financial obligations and dealings.
4. To demonstrate conscientious concern for others in matters of personal habits, attitudes and actions.
5. To demonstrate a spirit that recognizes the Lordship of Christ and expresses the biblical concepts of the love for God and man.
6. To submit to the authority of the scriptures in matters of faith, conduct and to the control of the Holy Spirit.
7. To actively support the cause of Christ and to endeavor to win others to faith in him.
8. To demonstrate a caring attitude towards others.
9. To appreciate the facilities of DLU and have a custodial concern for maintaining both its natural and physical facilities.

I recognize that the Standards of Conduct are to guide my behavior on and off campus for the time I am enrolled in Dominion Leadership University. While it is recognized that personal preferences differ and that every member of the university community may not agree with every detail of these standards, I must honorably adhere to them. Such an attitude on my part is a way I can develop Christian discipline, exhibit Christian maturity and demonstrate the love of Christ in concern for both the integrity of the school and for the personal welfare of other believers.
